Re: Meeting notes from September 26, 2016

Members present: Bob Duff, Annette Crane, Ron Staub.

Being no quorum the minutes from June 27 were not acted upon.

Annette introduced the Planning Board representative to the code Review Committee, Ron Staub.

She also provided a handout from the Housing Task force for informational purposes. The Task Force recommends changing the Village code to make it a requirement for property owners to contract for professional waste removal to eliminate the transportation of garbage from one property to another when several properties are owned by one person.

The next meeting is scheduled for October 24th.
