HOUSING TASK FORCE MEETING
7-10-17; 5:30 p.m.

Attendees: Annie, Marcy, Chuck, Mike, Skip, David

Unable to attend: Pam, Val

- 1. The fact that the HTF has not had a full slate of members for quite some time, was discussed. The need to fill 1 vacancy (Marty-Chairperson) and replace 2 inactive member spots was discussed. Leslie Morelli will be notified of this so that the openings can be announced.**
- 2. Annie provided us with the general guidelines for the HTF, that were approved by the Brockport Village Board on 6/2/14.**
- 3. There is a new Assessor – Tami Baker (shared position with the Town of Sweden). It was stated that rental property should be assessed at a higher rate.**
- 4. Discussion took place re: the village needs to address who takes care of what – for example: parking – police or code enforcement? Police and Code Enforcement need to work hand in hand. Who to call when? Suggestion – put this info. in the Village Newsletter, on the website, on Facebook, in handouts - to let people know who takes care of what. For example: who to call re: loud parties, fights on village streets, uncared for lawns, uncared for pets, brush/garbage/junk, illegal fires in the village, etc., etc.**
- 5. The college is going to have seminars for students, about living in the village.**
- 6. Rental inspections – done every 3 years. Will the village send out notices to remind people? David Miller said, no, because the certificate renewals come up at different times.**

7. If you go on the Village website, under Code, you can see all rentals and all the details about each of them.

Meeting adjourned: 6:56 p.m.
