#### Arbor Day Prep and Details

Tree Order - Rick Lair (excused due to oral surgery) wants to get the order to Linda. It will be either Cleveland Pears or Red Spire.

They could not get any single stemmed Fringe trees nor could they get trees that were not grafted on to ash trees. If they cannot find any, they will order either Amur Maackia or Wireless Zelkova.

Library and Lift Bridge will be approached about having displays. J. Morris will contact them. Letters will be ready to go to the homeowners in late March or early April.

Volunteers - I. Blount has contacted Rosemary Catlin and Buck Noble. B. Noble will come with 4 or 5 students. R. Catlin will bring her class but has only been approved for 45 min of volunteer time. Ian will see if he can arrange for a longer period.

Margay met with Harry Donahue who will call in the locations of the gas and electric services on the April 22 and mark them. She will connect with the college fraternity.

T-shirts - I. Blount will meet with Wendy re: the shirts. Now that our funds are with the Village, they can bill the Village.

Arbor Day flyer -

The timeline is in order.

**Funds:** \$526.00 was deposited, \$60.55 was collected by MP Musselman. There is \$1800. plus in the treasury. M. Blackman will speak to Dan Hendricks when it is time to pay for the trees.

**Next grant availability** - The DEC will announce the Urban Forest Grants around Arbor Day. We talked about a training class for interested villagers re: a citizen pruners program.

Adjournment: A motion to adjourn was made at 7:40 and carried.
