PUBLIC INFORMATION MEETINGS: NONE

PUBLIC COMMENT:

Curt Penoyer of 168 Erie Street stated that on September 2, 2003 and September 4, 2003 he placed calls to the Village DPW Office looking for information, but never received a response from Supt. Upson. He further stated that he did attend the Board meeting on September 2, 2003 and got the answer to his question of earlier in the day – October 15, 2003 as the estimated completion date for work on Erie Street. However, he has not as yet received a response to his inquiry of September 4, 2003 – why was the water not turned on for his temporary service – because his daughter had to go outside and turn it on. On September 11, 2003 he called the Village Office, was given the pager number for Harry Donahue, called Harry, and received a response about two minutes later. His question was why were his other two calls not returned? No response was forthcoming from the Mayor, but the Mayor did thank him for his inquiry.

Chief Varrenti said that he has reviewed the incident and verified that Officer Cyr acted within the constraints of the General Orders. Mayor Matela added that the wounded dog was destroyed earlier today and that the other dog at 141 Holley Street was also removed from the property. The owner of the deceased dog has assumed the responsibility for all expenses resulting from the incident. The Chief answered no to Trustee Wexler's question about problems with other dogs.

Treasure Rightmyer brought to the Board's attention some information relative to medical insurance coverage for Village retirees 65 or older. Currently, these individuals are covered under Blue Choice Senior at a cost of \$161.50 per month. Effective January 1, 2004 (the start of the Village open enrollment period) Blue Choice Senior will no longer be open to new enrollees. Instead, Medicare Blue Choice will be available at a much lower cost, and offers a choice of three plans, each of which offers different coverage with different co-pays and different premiums. Those currently enrolled in Blue Choice Senior can opt to stay with Blue Choice Senior, or change over to one of the Medicare Blue Choice options. While a decision was supposed to be forwarded to BC/BS by September 18, 2003, the Board opted to table the matter until the workshop on September 22, 2003. Treasure Rightmyer is to contact BC/BS about the delay.

Trustee Wexler expressed appreciation to the Fire Department for the services that were conducted on September 6, 2003 for the flagpole dedication and on September 11, 2003 in remembrance of those who died in the terrorist attack on September 11, 2001. Trustee Wexler said it was a pleasure to be a part of the ceremonies.
3. Trustee Wexler asked about the status of the defibrillators that were supposed to be given to the Towns of Clarkson and Sweden for installation in their respective offices and the Community Center. This led to a discussion concerning response to Treasurer Rightmyer's discussion with the Comptroller's Office. Given outright, these placements would raise

in these locations by the Brockport Ambulance as part of its ongoing medical assistance program for the community, and not "given" to the Towns, that the expenditure would not be questioned. Additionally, Chief Wing stated that the Ambulance Corps would have to retain ownership; otherwise the units would not be covered under the service agreement.

- B. Trustee Whipple – Reminded everyone of the potential problems associated with approaching hurricane "Isabel" – due in the area sometime Friday.
- C. Trustee Knapp – No Report
- D. Trustee DeToy – Reported that the Career Staff Committee has prepared a Career Personnel Policy to be used in connection with the Career Staff of the Brockport Ambulance Corps, Fire Department and the Village, and requested that Attorney Riley and the other Board members review it for possible adoption at the meeting on October 6, 2003. Attorney Riley stated that he has already briefly reviewed it and has a number of serious questions, including the relationship of the Board of Trustees to the Committee, the roll of part-time employee for the Village, Civil Service regulations, and the roll of the Board of Trustees with regards to the Fire Department and Ambulance Corps. Attorney Riley will do a more detailed review of the Policy, and then send a memo to the Board and the Committee listing his concerns. Pending the Boards review at the next workshop on September 22nd, the Committee is scheduled to meet on October 1, 2003 and could address the concerns prior to the October 6th Board meeting.
