April 18, 2020

Dear Landlords,

As we're sure you know, on March 22 Governor Cuomo announced the "New York State on PAUSE" executive order, a 10-point policy to assure uniform safety for everyone. The PAUSE has now been extended to May 15<sup>th</sup>. We are looking for your assistance in helping your tenants comply with the order so that they and our community can stay as safe as possible. The following points from Governor Cuomo's executive order are particularly relevant.

- Non-essential gatherings of individuals of any size for any reason (e.g. parties, celebrations or other social events) are canceled or postponed at this time;
- Any concentration of individuals outside their home must be limited to workers providing essential services and social distancing should be practiced;
- Individuals should limit outdoor recreational activities to non-contact and avoid activities where they come in close contact with other people; and
- Young people should also practice social distancing and avoid contact with vulnerable populations.

New York State, as of April 18, is requiring all individuals wear masks when in close proximity to others, visiting businesses, or generally out in public.

While Village Police will disperse any gatherings, they will look for cooperation and compliance from our community members as well. We would be grateful if you could please contact your student-tenants and urge them to stay at home and avoid gathering and to keep social distancing. The Brockport Village Police Department is a resource that remains in contact with the College. Please report any concerns regarding village activities to them. Should there be an elevated concern, Student Conduct may receive reports and referrals as they normally would.

Thank you,
