Works**

**To:** Residents of Carolin Drive

**From:** Village of Brockport Water Department

**Date:** December 23, 2019

On Thursday, December 26th, The Village of Brockport Water Department will be performing a fire hydrant replacement next to 21 Carolin. The outdated, undersized hydrant has been out of service for a couple weeks waiting for parts to perform the replacement. To do this hydrant replacement we will have to turn off the water main from 9:00 am to Noon.

If you have any questions please call the office at 637-1060, Monday – Friday 7:00am - 3:30pm.

Thank You,

*Harry Donahue*
