

## ATTENTION ALL CONTRACTORS

- Construction Trades
- Design Services
- Environmental Testing & Remediation

The Village of Brockport is beginning its Main Street Revitalization Project. As required by the New York Main Street Grant Program, we are developing an Approved Contractor List. Contractors with experience renovating historic properties and contractors with EPA Lead Safe Certification are particularly needed.

For inclusion on the Approved Contractor List, submit an application, proof of insurance, 3 references and EPA Lead Safe Certification (if applicable) to the Project Administrator, Valerie Ansuini as soon as possible. Applications are available at the Village Hall located at 49 State Street in the Village of Brockport and on Brockport's website: [www.brockportny.org](http://www.brockportny.org)

For more information, contact the project administrator, Valerie Ansuini at (716) 759-8580, ext.200, or via e-mail at: [vansuini@grantsareus.com](mailto:vansuini@grantsareus.com)

*Minority and Women-Owned businesses are strongly encouraged to apply.*
